## Counter Chain Pen & Replacement Pen Refill

Oh the places it can (and can't) go!

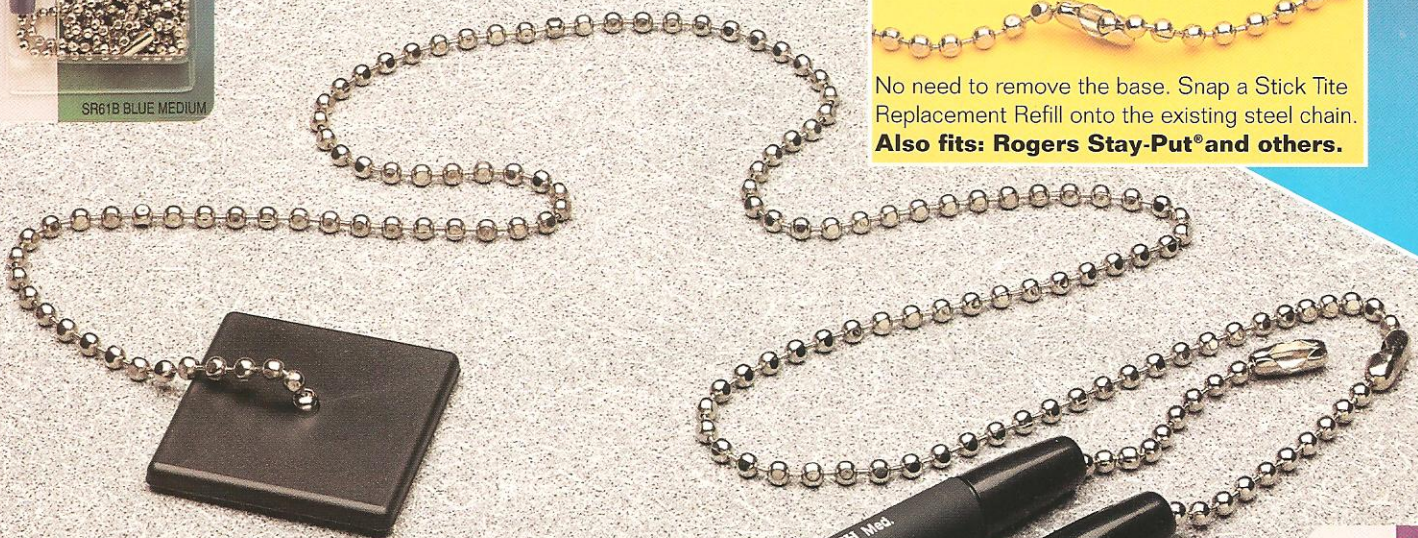

The only pen that will never be lost or misplaced.

### Simple to Refill!

No need to remove the base. Snap a Stick Tite Replacement Refill onto the existing steel chain.

Also fits: **Rogers Stay-Put®** and others.

The places it is used are endless. Homes, offices, banks, shops, and post offices are all sticking with Eversharp Stick Tite, the pen that stays right where it's put. Time and time again, it's always there when needed.

Pressure sensitive adhesive base with attached 24" chain pen, securely sticks to all surfaces. It's a snap to replace with the Eversharp 2" Chain Pen Refill. Pens feature a rubberized barrel with finger grip that makes writing a comfort.

Choose from black or blue units, with long lasting medium ballpoint pens.
